"Spices of India" offers you delicious North and South Indian cuisine. Our restaurant is located in a Taj Mahal style domed building just five minutes from White Sand Beach. Our stunning decor brings to mind the style of the Mogul period.

Our Naan Breads and Tandoori meats are prepared in our traditional clay Tandoor oven. These fresh breads are wonderful on their own or as an accompaniment to Sheesh Kebabs and Fish, Meat and Vegetable dishes.

We offer a full selection of imported wines to enjoy with your meal. Alternatively you can enjoy a cool and refreshing yoghurt Lassi or a robust and flavoursome Patiala

Our menu consists of a variety of dishes selected from all regions of India to give you an impressive range of dining choices. We offer spicier dishes from the South of India together with Northern Indian Naan breads and Mithai (sweets) and desserts.

"Spices of India" choose their ingredients carefully. We make sure that only the freshest vegetables, meat and herbs and spices are used. If we can't find something in Thailand we import it. Our delicious lamb is brought over fresh from New Zealand.

Select your meal from our interesting and varied menu. Why not sample our lightly fried Samosas or delicious spicy and crispy Prawn fritters as an entree? If you are new to Indian food you can order a meat or vegetarian thali. This allows you to try several different dishes served together in a special metal dish. If you want to know more about any of our menu items feel free to ask our friendly staff.

"Spices of India" is a comfortable and relaxing spot to meet up for a drink. We have a great soundtrack of Indian artists from the amazing Sitar playing of Ravi Shankar to the Indian piano of Brian Silas. East meets west with our Bhangra remix music and our dancefloor awaits
